

Terms and conditions for the prize draw of the GGD Health Monitor 2024

1. These terms and conditions apply to the prize draw for the GGD Health Monitor 2024, organized by GGD Hollands Noorden (municipal health service of the region Noord-Holland-Noord), in cooperation with all GGDs, the Public Health department of the Municipality of Utrecht, GGD GHOR Nederland, RIVM and Statistics Netherlands (CBS). The questionnaire and prize draw are organized by Ipsos I&O.
2. You can participate in this promotion by completing the questionnaire of the GGD Health Monitor between September 26th and December 8th 2024. Only individuals aged 18 years and above, who have been invited by GGD Hollands Noorden to complete the GGD Health Monitor 2024 can participate in this promotion. Statistics Netherlands (CBS) randomly selects people who are invited to participate. We call this a random sample. The selected individuals represent a cross-section of the sixteen municipalities in the region Noord-Holland-Noord.
3. The prize draw is open to all individuals who complete the questionnaire of the GGD Health Monitor 2024, whether online at www.startvragenlijst.nl/ggd or via the paper questionnaire delivered to the home address. Ipsos I&O has been asked to carry out the field work for the GGD Health Monitor 2024. This means that Ipsos I&O will send the invitations, asking people to complete the questionnaire and will collect the answers. Ipsos I&O is also responsible for the prize draw.
- 4a. The total prize package of this prize draw by GGD Hollands Noorden consists of 500 bol.com gift cards worth 25 euros each.
- 4b. In the survey, the respondent indicates whether he or she wants to be eligible for one of the bol.com gift cards.
- 4c. In January 2025, the bol.com gift cards will be raffled among all respondents who have completed the questionnaire (online or in writing). Ipsos I&O is responsible for selecting the winners. The winners are chosen by an automatic script using SPSS (statistical software program). In this program, each respondent is randomly assigned a number. The 500 respondents with the lowest number win the prize.
5. A maximum of one entry per respondent is permitted. Respondents who have completed the questionnaire multiple times will not be eligible to enter the prize draw more than once.
6. Prize winners will be notified by Ipsos I&O once the promotional period has passed. Winners will be contacted using the name and address which were made available by Statistics Netherlands (CBS) from the original questionnaire sample.
7. GGD Hollands Noorden and Ipsos I&O reserve the right to exclude a winner from participation in the prize draw if they suspect fraud or the intentional entry of false information in the questionnaire, to prevent the prize being awarded as a result of improper actions. In this case, a new winner will be drawn.
8. The name and address details from the random sample are only used by Ipsos I&O for sending invitations to participate in the GGD Health Monitor 2024 and for sending the bol.com gift cards. This

data is not linked to the questionnaire responses and is not used for marketing and/or other purposes. On April 1th 2025, the name and address data will be deleted by Ipsos I&O.

9. The prizes are non-exchangeable, non-transferable, and no cash alternatives will be offered.
10. Respondents must be at least 18 years old and resident in the region Noord-Holland-Noord at the time of participating in the questionnaire. They must also be selected to participate in the questionnaire by means of the random sample drawn by Statistics Netherlands (CBS).
11. These general terms and conditions comply with the Code of Conduct for Promotional Games of Chance 2014 (Promotional Games Authority or 'Kansspelautoriteit').
12. Questions or complaints regarding this prize draw or these terms and conditions can be sent via email to NLhelpdeskGM@ipsos.com. Ipsos I&O will respond within two weeks at the latest. Complaints or questions must be submitted before February 1th 2025.
13. The decision by Ipsos I&O regarding any aspect of the prize draw is final and binding. There will be no correspondence about the result of the prize draw.
14. By entering the prize draw, the respondent agrees to the content of these prize draw terms and conditions, as well as to all decisions that the organizers are obliged to take to ensure the correct execution of this prize draw.

Please note that, in the case of any dispute, the original Dutch terms and conditions prevail.
